Ski passes for 15+ days – prices on request!

ONLINE-TICKETING – THE EARLIER THE CHEAPER!

Book your skipass online and save time and money. The sooner you book, the cheaper the ticket is.

* The "online rate from" price listed is the lowest available online rate. Our online pricing system is automated and dynamic. This means that the prices depend on various factors, such as the season, the number of orders, the day of the week and earlier data. In general, **the earlier you book, the higher the discount.** The discount decreases continuously depending on demand and timing

- the closer you get to your desired date or the more popular it is, the higher the price. Up to 5 days before the desired date, it is cheaper online, after that the cash desk price also applies online.

Tickets purchased online will not be cancelled or refunded. All customers are advised to obtain additional insurance when purchasing a multi-day pass. With the cancellation protection upgrade, unused ski passes are refunded **up to 5 days before the 1st ski pass day.**

Tickets can be collected from the pick-up machines (no deposit) or from the ski pass cash desks (with deposit).
